

**STATE-OF-THE-ART
PRODUCTION FACILITIES
FOR ALL YOUR PROJECTS**

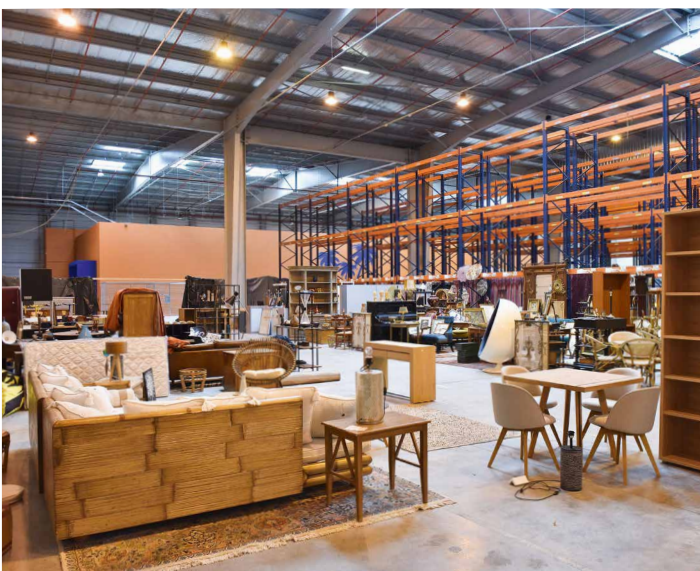

WELCOME TO ONE OF THE LARGEST AUDIOVISUAL PRODUCTION HUBS IN FRANCE!

As part of its creation plan, France Télévisions set up in Vendargues in 2018 incredible 16,000-m², state-of-the-art production facilities, and built a unique partnership with the Occitanie/Pyrénées-Méditerranée region, Montpellier Méditerranée Métropole, the city of Montpellier, as well as many other actors and organizations in the area.

V Studios is jointly managed by france.tv studio, a production subsidiary of the France Télévisions group, and La Fabrique, which provides the Group's internal production means. We will receive you in a warm and modern space, and offer all our technical, logistical, and artistic expertise for your audiovisual and cinematographic projects.

HIGH-PERFORMANCE, UNIQUE, AND INNOVATIVE PRODUCTION FACILITIES

- **Three 1,133-m² sound stages** and **one 600-m² “virtual” studio**.
- **Modern production facilities:**
 - **Decorating** facilities (500 m²),
 - A **painting workshop** (250 m²),
 - A **woodshop** for on-site set construction,
 - A **significant stock of props, sets and costumes** available,
 - Green rooms and production offices,
 - Dedicated **postproduction** facilities (600 m²): editing and grading rooms, sound mixing suites, sound booths...
 - **Catering facilities** (600 m²),
- **Optic fiber** connection for sending rushes.
- **Over twenty studio sets** (police station, prison cell, law firm, hospital, apartments, offices...) and access **to a great variety of sites on location** (beach bar, high school, forensic institute, garages, villas, and apartments...).

TECHNOLOGY AT THE CUTTING EDGE OF INNOVATION

The company **Les tontons truqueurs**, a subsidiary of france.tv studio, **specializes in visual effects** and is a pioneer in its field: they developed **cutting-edge technology to preview VFX on set in real time** (Previz On Set) and is developing real-time integration as well as shooting entirely virtual sequences.

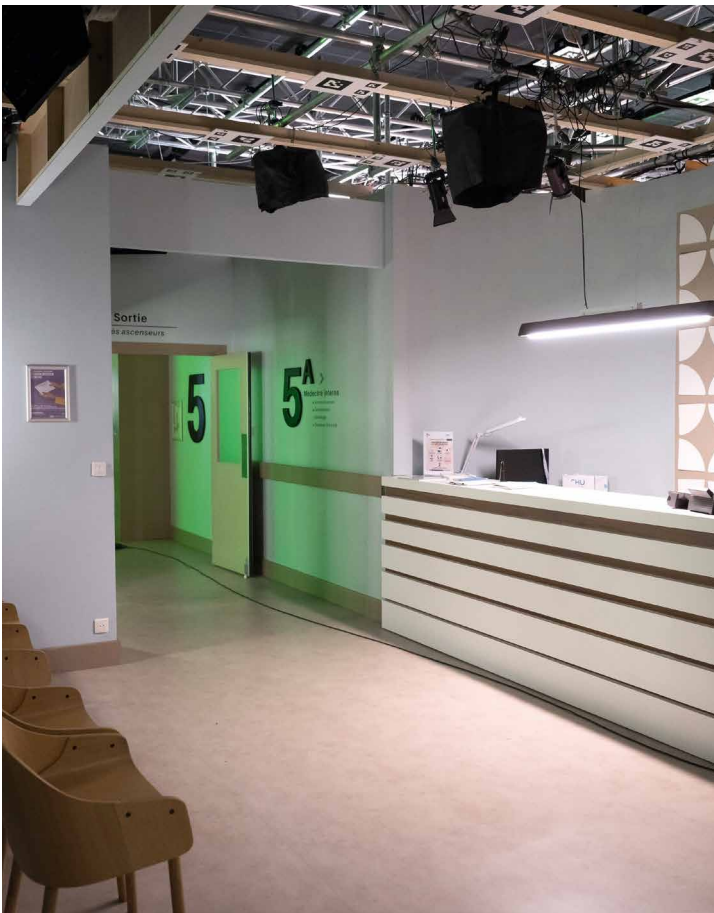

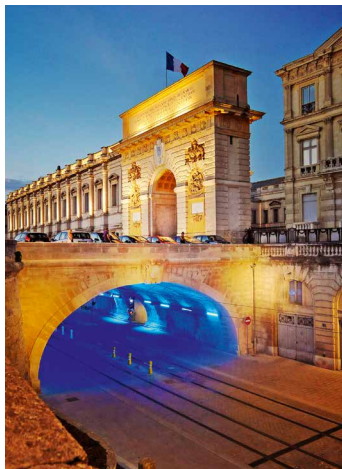

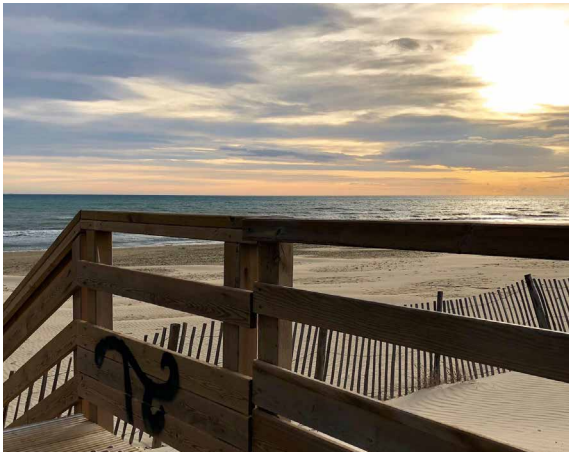

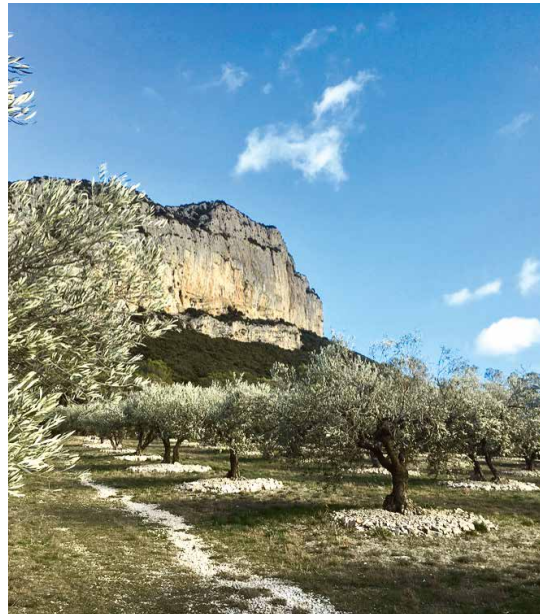

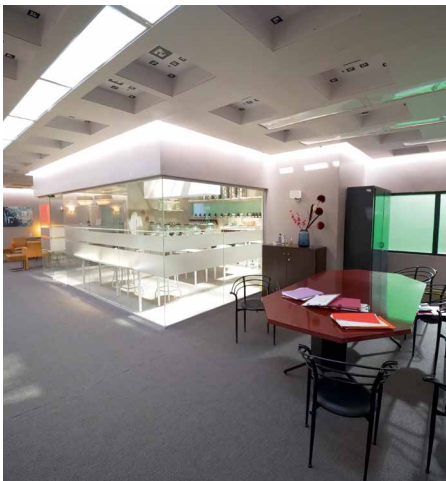

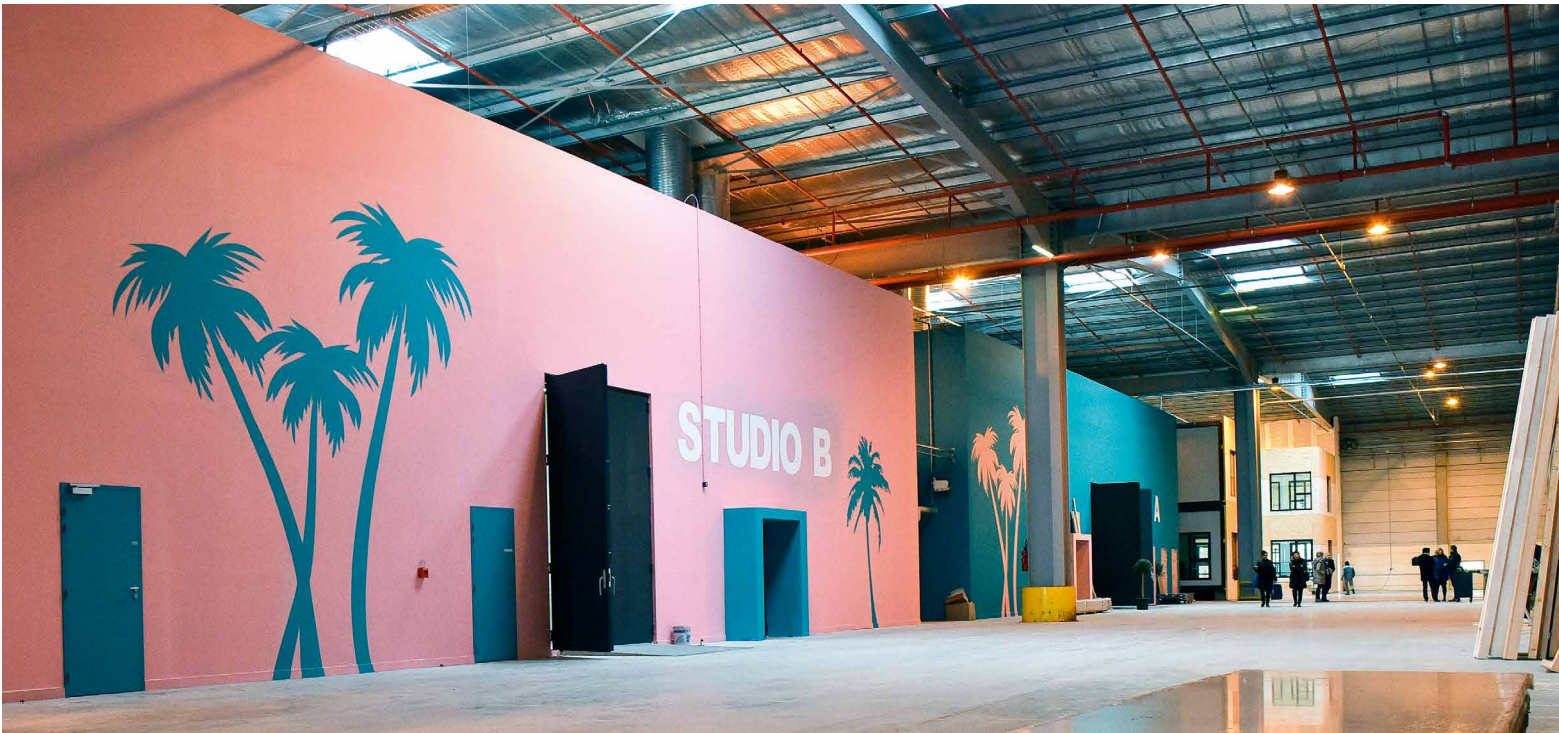

AN IDEAL GEOGRAPHIC LOCATION

- The **Mediterranean Sea** in 10 minutes, the **Cevennes National Park** in 30, and the **Pyrenees** just a 1-hour drive away. Paris can be reached by train in 3 hrs. 15 min (from two stations: Saint-Roch or Sud de France) and by plane in 1 hr. 15 min (the Montpellier-Méditerranée airport is also 20 minutes away).
- **An exceptional range and variety of natural settings** due to the proximity of the sea and the seaboard, to its beautiful countryside boasting vineyards and forests not far from the Cevennes and Camargue. A wide variety of architectures with a historical medieval city center surrounded by bold and modern neighborhoods.
- 300 sunny days a year.

PREFERRED PARTNERSHIPS WITH LOCAL ACTORS

- **Partnerships with the Occitanie/Pyrénées-Méditerranée region, Montpellier Méditerranée Métropole, the city of Montpellier, La Grande Motte, the Montpellier-Méditerranée airport, the Montpellier city zoo, the daily newspaper Midi Libre...**
- A relationship of trust with public authorities and quality logistical support from Montpellier’s film shooting assistance office, the Bureau d’Accueil des Tournages de Montpellier Méditerranée Métropole.
- France.tv studio works with **local training organizations** in order to train profiles perfectly suited to the production needs (the University of Montpellier, ARTFX, ESMA, Travelling...) and create **a network of excellence in the area of audiovisual production** in Occitanie.

UN SI
**GRAND
SOLEIL**

Since 2018, the daily program *Un si grand soleil* is shot in our studios, and thanks to its new developments, in 2022, other audiovisual programs will be filmed there for France Télévisions (*Les Pennacs*) as well as external projects (film and television).

1090, avenue des Bigos - 34 740 Vendargues

 **ecoprod**

**FRANCE'S PREMIER ECO-EFFICIENT
FILM PRODUCTION SITE.**
